	FrameWorks: ASP.net, MERN , Flutter, .Net WPF
Soft Skills	Communication Skills, Project Management, Leadership, Work Ethics

PROJECTS

LetsWork Mobile App. Built a clone mobile app having combined features of Fiverr and Upwork. I has features like job posting as well as uploading gigs which make it even better than Fiverr and Upwork!
(Check it out here: https://github.com/aftabahmad197/LetsWork)

FYP Project Manager. Built a desktop app that keep tracks of final year project of students. it includes keeping track of the groups, assigned teacher and grading of the FYP project of students.
(Check it out here: https://github.com/contactAbdullahAamir/FYP-Manager)

UET Guide Map. Built a website that used google maps api to show map of UET, Lahore. This website is also capable of giving shortest distance between two places of the UET, Lahore
(Check it out here: https://github.com/contactAbdullahAamir/UET-Guide-Map)

EXTRA-CURRICULAR ACTIVITIES

- Actively contributing to the Computer Science Department's society, 'Software Square,' at UET, Lahore, by serving as a member of the Team Management team.
